Re: Annual Sampling of the Frank Wilkie Well - Closed Jackson County
Landfill (Permit #50-02).

Dear Mr. Parker,

Per our discussion July 13, 2000, Jackson County has agreed to sample Mr. Frank Wilkie's well on an annual basis. This has become necessary due to the consistent presence of volatile organic compounds detected in monitoring well MW-1. Please analyze the Wilkie well samples for the Appendix I list of parameters.

Once again, thank you for your prompt attention to these matters. If you have any questions, please contact me at (919) 733-0692, extension 261.

Sincerely,

Mark Poindexter
